

absolute robotics

2017-2018 Sponsorship Package

WHO WE ARE

Entering our fifth consecutive year, Absolute Robotics is a robotics team based at The Woodlands Secondary School in Mississauga, Ontario. Our team consists of over 60 members between grades 7-12 who are passionate about STEM.

WHAT WE DO

Absolute Robotics annually competes in two robotics competitions: The FIRST Robotics Competition and the VEX Robotics Competition. These competitions provide a hands-on experience into the world of engineering and business.

OUR SPONSORSHIP TIERS

Running a robotics club for students is an expensive endeavour; the registration fee for a single competition is \$7,500 alone. In order to alleviate these costs and not financially burden our members, *Absolute Robotics* is seeking your help. In exchange for your generous donation, the following benefits are offered to you:

	Bronze \$0-\$499	Silver \$500-\$1499	Gold \$1500-\$2499	Platinum \$2500+
